TOTAL:	_____	_____

DECK

BOTTOM

Prices listed above are estimates. Certain repairs require further scrutiny to determine the total cost. If the cost of repair exceeds the estimate listed above, customer will be notified before any repairs are started. Customer will be notified once the repair is completed. Average repair turnaround time is two (2) weeks. One hundred percent (100%) of the cost of repair is due upon pickup. All repaired boards must be picked up within one (1) month of completion unless otherwise agreed upon beforehand. Any board left for longer than one month after repair completion date is subject to a storage fee of twenty five (\$25) dollars per month. After one year of storage and multiple attempts to contact customer, boards will be sold, and proceeds will go to Natures Shapes. I have looked over this board repair form and agree with all of the specifics stated above.
